""Some of the best moments in life is sharing and enjoying a bottle of wine. And indeed there has been fond memories of these special moments of sharing with Dad.

That said we would like to invite our guests to also take some time off, sit back and share a glass or two with each other. Enjoy these timeless moments as much as we both have.

This concise wine list which covers most regions of Italy and France has been specially crafted to suit most wine lovers and most importantly to make it both affordable and memorable. "
